8.0 DEPUTATION

8.1 10.19am – Streaky Bay Tourist Promotions Inc. – (Lyn Finch)

Streaky Bay Tourist Promotions Inc. has identified the need and importance of 'creating a point of difference' to build Streaky Bay as a tourist destination.

Other Eyre Peninsula locations have stimulated tourism by creating unique opportunities and experiences specific to their location eg: diving with the sharks, eating freshly shucked oyster's straight from the ocean and by being the gateway to the Nullarbor and Great Australian Bight.

Streaky Bay has the opportunity to stand out by creating a point of difference using the \$115 million dollar (per annum) abalone industry.

Streaky Bay Tourist Promotions Inc. propose to create an Abalone Interpretive Centre that offers a unique experience for locals and tourists, showcasing abalone as a culinary experience and permanent art gallery, featuring resident artisans and retail outlet.

The concept is already supported by Streaky Bay Tourist Promotions Inc., Regional Development Australia, the South Australian Tourism Commission and the Abalone Industry Association of South Australia. Additional interest has been expressed by the Jam Factory and the National Wine Centre Australia.

Streaky Bay Tourist Promotions Inc. would like to partner with the District Council of Streaky Bay to explore relocating and re-vamping the Visitor Centre to incorporate the Abalone Interpretive Centre. Funding would be sourced from the Industry, State and Federal government.
